Dear The Federal Communications Commission,

Congratulations on your appointment to Chair the FCC. In your new leadership role, I urge you to support the "Fair Share Plan" as a solution to current concerns with the Universal Service Fund (USF). The Fair Share Plan will keep the USF fair, ensuring that consumers like me do not pay the same rate into the USF as big businesses, regardless of how little I may use long distance.

The charge on the DSL lines, is some form of double jeopardy. This should be illegal to tax the same phone line twice !

Did congress pass this or is it just a way of getting more money from the people ?

Sincerely Richard & Ruth O'Donnell
